

Saturday night

*A personal note...*

Dear Sheila:

Keep thinking about you & so sorry  
you couldn't come with David but  
I've tried to look after him best I  
could but he takes care of me better.

I had ~~all~~ my kids last night  
and Pearl & Martha Ann, Debby  
& Gary came & that was an  
answer to lot of prayers & I told  
David he had to be a help by  
coming when he did.

I pray for you & Eula a lot  
give her big hug for me & tell  
her I love her when her mind is  
rational & I love you Sheila, not good  
on phone so thought this might do.

Much Love

Aunt Bessie.
