

David / Papa: In this letter I wanted to express my gratitude towards you, and tell you how much you mean to my family and I. Since you came into our lives you have taught us so much, and have brought us endless joy. Since you know, I never got to have a grandpa, you have fulfilled that space. I love you so much, you are such a great human being, always so kind and caring. I know you love us very much and have helped us through our toughest times. I want you to know that we are willing to do the same for you; I would also like to thank you for teaching me so many things, and for always finding a way to make me laugh. I hope you know that I am your granddaughter, even though we look nothing alike haha... Anyway, I want to say I love you, and that you are one of the strongest people I have ever encountered. There's so much I love about you, such as your stories and your love for Wendy's. Mimi is watching from above and is so proud of you. We all love you endlessly, and I thank God for putting you in not just my life but my parents. Merry Christmas pops! I love you! - Sara
